Please join us and your fellow community members for the opening of Sharon's Many Traditions Photo Exhibit sponsored by the Sharon Pluralism Network. This exhibit showcases traditions celebrated by Sharon's residents and people who work, study and worship in Sharon. Photographs of family, religious and cultural traditions will be featured, along with writings about why these traditions hold meaning for the participants.

The Sharon Pluralism Network is a collaboration among seven organizations in Sharon to support programs that raise awareness and understanding of the rich cultural and religious diversity in the town. The photo exhibit is sponsored by Interfaith Action, Inc, the Sharon Adult Center, and the Sharon Recreation Department, and supported by grants from the Eastern Bank Charitable Foundation, Sharon Cultural Council and an anonymous donor.
