Please do not send online banking checks drawn on your bank to this address. If you must use your bank's online bill payment system, please use

90 South Main Street
Sharon, MA 02067

In addition, since your bank's online bill pay system generates paper checks that are then mailed to us, allow sufficient time for the check to reach the Town by the due date. If you are paying a bill for someone other than yourself please refer to the bill number, account number or persons name in the memo.

If you pay your taxes in escrow to your mortgage co. you may want to contact your bank to see if they need a copy of your bill.

*******Do not pay the bill yourself if you have an escrow account with your mortgage co. *******
