

TOWN OF SHARON

Department of Public Works Forestry & Grounds/Operations

The DPW has two positions available: Forestry & Grounds and Operations Auto Equipment Operator/Laborers.

The positions are responsible for skilled technical, and laboring work in the DPW. The F&G position is responsible for operation of various equipment and vehicles necessary for maintenance of the town's parks and trees, athletic fields, and grounds; snow removal from roadways, parking lots and sidewalks. The Operations position is responsible for operation of various equipment and vehicles necessary for the maintenance of the town road and drainage infrastructure and water system.

Both positions are required to perform a wide variety of technical and physically demanding duties for extended periods of time, i.e. snow storms, water breaks.

The F&G position requires general knowledge and experience with tree work, maintaining athletic fields and planting and pruning.

Special Requirements:

High school diploma,

Massachusetts Class B commercial driver's license.

Salary and benefits in accord with AFSCME contract. Apply at DPW office, 217R South Main Street, Sharon, MA 02067 by March 31, 2017. Questions call 781-784-1525 x2315. CORI check and mandatory drug testing upon hire.
