Discussion

The MPSC did not have a quorum so the meeting minutes of 4/9/18/ and 4/24/18 were not approved.

Mr. McSweeney said he wants to be on a subcommittee for Precinct 5.

A discussion of the initial survey results were reviewed. Ms. Price said CivicMoxie seemed pleased with the number of responses to date (over 130). Chair Pannone will distribute the results to the MPSC. The survey will be active through the summer until the next survey is issued.

A discussion of the first public event ensued. The next survey will build upon the information CivicMoxie collects from the public meetings so it will be directly connected to the community input which is why attendance is critical. The proposed meeting date is June 13th or 14th. CM has proposed a couple of public meeting formats. One includes an intro/presentation and then can have either stations or break-out groups and the other is similar to break-out groups but follows the "World Café" model where the intent is to include community-building and more conversation. Either way volunteers are needed to either help lead discussions or document them. Chair Pannone to survey the MPSC and see which date works better.

The next MPSC is scheduled for May 30th. Civic Moxie will be attending in order to help prepare for the public meeting.

Discussion held on the need for volunteers to write articles, post on Facebook, get the word out at other local events. Next major events include Memorial Day observation on Sunday May 27, Father Bullock race on June 10th, Sharon Middle School show May 18th and 19th. Possible to promote at recreational soccer and COA events.

Discussion of compiling list of stakeholders for CM to interview one on one and in focus groups. Ms. Rich to obtain email addresses for some contacts.

MPSC members should be sure to report back to their other boards and committees to promote the June event.

Meeting ended at 8:30pm.
