

Good morning, my name is Paul Festian. I am the logistics director for Hands across the water. We are a 501(c)(3) book charity that has the container at your Dpw site. I am e-mailing you to ask if you can help us to increase donations to your site. Could you please add us to your town fliers and put an add on for us on your local cable access. Our site is www.surplusbooksforcharity.org I can be reached at pfestian@yahoo.com. Thank you.
