Old Business Discussed:

Town Hall Project; seen as a needed benefit for residents

- Flyers have been designed, copied and distributed – there are more flyers to be distributed during the town hall meeting
- Paul is writing a statement to be read during the Town Hall Meeting. Fred is also considering asking the architect to make a statement as well

Ames Street Playground project – Noah and Ryan will be joining The Commission during the November meeting to talk about their project

New Business Discussed:

Grant to install locks on public access housing – Community Access Monitor Training discussion – Susan will see if this can be written since the town of Sharon is technically not a city which is required by the grant.

Community Access Workshop (Monitor Program) – Lois brought back information from this workshop and shared her experience.

Reimbursement to Paul for copying the flyers.

Next Meeting – November 15, 2017 called to adjourn at 7:35 pm
