#### **Community Preservation Coalition Invoice**

Chair Snow stated that the dues are the largest recurring expense. The Community Preservation Coalition provides support services to the CPC communities across the cities and towns. When we formed the CPC we utilized the Coalition quite often. Some members have attended their training functions. They lobby the State to advocate for funding the Community Preservation Act especially when deeds are low. They try to obtain funds from other sources to get to communities. They maintain a database collection role of projects in all towns and communities. They provide seminars and training as well as newsletters with pertinent information.

Mr. Maidman moved to approve the expenditure of \$2,875.00 for the continued subscription to the Community Preservation Coalition. Mr. Bluestein seconded the motion. The Committee voted 5-0-0 in favor of approval.

Monies for this invoice come out of the operating budget unallocated fund used for administrative funds only, legal fees, consulting fees and salaries.
