Meeting Minutes

Committee voted (5-0-0) in favor of approval of meeting minutes for 3/5/19.

RFP for Solar on town owned land

George Aronson discussed meeting with Peter O'Cain on the RFP. Peter suggested a mandatory pre-proposal conference before submittal meeting for responders to walk over the sites. Also he suggested a few more attachments.

Committee discussed other issues related to security bonds, decommissioning bonds, and insurance that the responders will have to meet. Some discussion on strategy on how to handle price quotes and their comparisons as it relates to landfill and canopy solar.

Continued to discuss the site lease and who generates. Committee decided to get responders to provide a sample as a response to the RFP. Same will apply to the MOU.

Hope is to one more round on the RFP and then submit to town council before our next meeting.

Sharon Power Choice
