

Town of Sharon
Energy Advisory Committee
Minutes for 3/5/19

Attendees

George Aronson, Sachin Patel, Lajos Kamocsay, Valerie White, Silas Fyler

Meeting Notice

Committee voted (5-0-0) in favor of approval of meeting minutes for 1/8/19.

Committee voted (5-0-0) in favor of approval of meeting minutes for 2/5/19.

Sharon Power Choice

- Aggregation plan has passed DOER and now submitted to DPU
- Silas will put together a powerpoint for presentations around town
- Committee review Natucket and Newtons brochure for aggregation. Committee decided that Newtons brochure was acceptable with changes to remove two sections.
- Silas will coordinate with MassPowerChoice to get brochure printed
- Valerie contacted Moosehill Audubon to table during maple sugar event but they wanted a presentation
- Plan presentation of SPC at Sharon Friends of Conservation on 4/6
- Planned to have table at Greenday

RFP for Solar on town owned land

- Sachin provided an update on conversations with Peter O'Cain, Ken Wertz and Fred Turkington.
- Discussed the possibility of including the solar canopies into the RFP for solar on landfill. Committee decided to include all possible sites discussed with Peter O'Cain onto the RFP.
 - Gavins Pond parking lot
 - East Elementary parking lot
 - Cottage Street School parking lot
 - Middle School parking lot
 - Sacred Heart parking lot
 - Community Center parking lot
 - Possible East elementary roof
 - DPW parking lot
- Committee voted (5-0-0) to work on RFP once George completes first draft after adding the canopies, with final version being discussed at next meeting.
- George presented a timeline for the RFP:
 - May – Finish RFP possible release
 - June – release ?
 - July – responses
 - Sept – award
 - Nov – have warrant article on town meeting for lease
- Committee discuss look of canopies and what might be a solution for how they look.

Next Meeting to be on April 9th at 7pm Community Center
