**\*Public Questions on Agenda Items**

In an effort to ensure that school committee meetings are both effective and efficient, while also balancing the need to allow for public participation, the School Committee will allow for limited Public Questions at the end of each meeting. The ground rules for this item are as follows:

- Only questions related to topics on the agenda will be permitted
- Each speaker will be allowed approximately one minute to ask their question
- This is not intended as a back and forth exchange with the School Committee
- There should be no assumption that questions can be addressed in the meeting; questions may be referred to members of the Administration for follow up
- This question period is not intended to replace the OPEN FORUM which will still occur at the first meeting of each month
- As always, members of the public can write to the School Committee at [SC@sharonschools.net](mailto:SC@sharonschools.net) to provide general comments or feedback on any topic

The above topics represent what the Chair of the Sharon School Committee reasonably anticipates will be discussed at this meeting at the time this meeting was posted.

Sharon Public Schools does not discriminate on the basis of age, color, disability, gender identity, homelessness, national origin, race, religion, sex or sexual orientation.
