We partner with schools and communities to create a process for diverting clothing donations along with shoes, and fabrics away from the solid waste stream. Instead of being thrown away, textiles create a new source of revenue for your community. Bay State Textile exports half of its clothing donations and collections to developing countries. There is a healthy demand for used clothing and shoes from the United States all over the world. These textiles are primarily reused as clothing and shoes, providing thousands of jobs for small entrepreneurs, their families, and employees.”</p> <b>Best Buy</b> <ul style="list-style-type: none"><li>• <a href="https://www.bestbuy.com/site/services/recycling/pcmcat149900050025.c?id=pcmcat149900050025">https://www.bestbuy.com/site/services/recycling/pcmcat149900050025.c?id=pcmcat149900050025</a> 508-261-2340</li></ul> <p>“Let’s lighten the landfills.
