

Town of Sharon
Energy Advisory Committee
Minutes for 6/27/18

Attendees

Lajos Kamocsay, Valerie White, Sachin Patel, George Aronson, Silas Fyler, Matt Baldassari, William Heitin

Introductions

Overview of the committee charge

The committee is charged to review two initiatives in town: Municipal aggregation, and solar on the town landfill with possible solar on trains station parking lot.

Elections

George Aronson – voted as committee chair. Board voted 4 in favor of approval.

Silas Fyler -- voted as committee secretary. Board voted 4 in favor of approval.

Municipal Aggregation

- The next step in the process for municipal aggregation is to hire a broker. Committee decided to review a few RFPs and have a list of requirements for broker at end of next meeting.
- Need to get Clarification on RFP requirements for picking a broker.

Solar lease of old town landfill and possible train station parking lot

- Discussion of status of landfill, possible lease alternatives.
- Attempt a pre-application for an interconnection at landfill.
- Discussion of train station parking lot and issue with two or more story parking garage.
- Decided to get review from DPW of possible other sites within town for solar.

Next Meeting to be on July 18th at 7pm Community Center
