

Town of Sharon  
Energy Advisory Committee  
Minutes for 7/18/18

**Attendees**

Lajos Kamocsay, Valerie White, George Aronson, Silas Fyler

**Meeting Minutes**

Committee voted 4-0-0 in favor of approval of meeting minutes for 6/27/18.

**Solar PV on Town Landfill**

George Aronson gave a brief description of Sachin Patel and his trip on 7/15/18 to the Sharon DPW. While there, they looked for other land capable of handling a Solar Farm as well as any history related to previous attempts of a Solar Farm on the town landfill. Preliminary estimate of the total potential for solar canopies at the various sites within the town, besides the Town Landfill, is approx. 6 MW of energy. Sachin Patel filed four pre applications with Eversource to request preliminary evaluation of interconnection costs and challenges for some of these locations.

**Municipal Aggregation**

Committee voted 4-0-0 in favor of creating an RFP for an Energy Broker. George Aronson, Valerie White and Silas Fyler will put together a preliminary RFP for committee to vote on.

**Elections**

Committee voted 4-0-0 in favor of Lajos Kamocsay to manage Energy Advisory Committee Town website.

**Outreach**

Silas Fyler offered to have a table at Square Jam for outreach on the aggregation project.

**Next Meeting to be on August 29<sup>th</sup> at 7pm Community Center**

Committee decided to invite representatives of a few Solar PV facility development companies who have expressed interest in Sharon Landfill to learn about their expectations and any reviews they have done. Other possibilities are to learn from the solar companies regarding the new SMART program from the State. Valerie White and Lajos Kamocsay will make contacts.
