

October 30, 2018
Transportation Advisory Board Meeting

Attendance: David Straus, Neil Coplan, Terri Rawding, Fred Turkington, Eric Hooper and Silas Fyler

Meeting was held @ 6pm in the Community Center Board Room

Minutes:

I. Discussed with Fred about moving forward with STV

- A. Short term and long term goals for STV to potentially add to their study
 - 1. Pick up drop off loop
 - 2. Safety for pedestrians commuter and parking commuters
 - 3. Environmental impacts
 - 4. Ramifications of traffic flow

II. Discussed creating a survey for commuters

- . This would provide info for a potential Rideshare program
- A. Also help with location of commuters in-town.
