**THE VIEW** 

**SHARON ADULT CENTER**

MAY 2019 [www.townofsharon.net/coa](http://www.townofsharon.net/coa) Telephone: 781-784-8000 VOLUME 11—NUMBER 4

The Sharon Adult Center welcomes adults from the many diverse neighborhoods leading in and around Sharon. We believe mutual understanding and respect between our participants, staff, volunteers and community partners is a goal for service the quality of life.

**My VIEW from the Sharon Adult Center...**

Favorite made it through the cold of April? Hopefully Mother Nature has figured out that it is really spring, and I look forward to seeing all the flowers and trees in bloom.

May is Older Americans Month. This theme for this year is "Connect, Create, Contribute." Connecting with family, family and services that support participation is the first part of the theme. Creating involves engaging in activities that promote learning, health and personal enrichment. Contributing your time and talent for the benefit of others is the last. Hopefully these are things that you already do. We are fortunate here at the Adult Center to have many who volunteer their time and talents to the community. I also enjoy seeing all who attend the many programs and classes we offer. With summer holidays approaching, I do hope that people connect with families and friends to celebrate and/or remember loved ones.

Do you watch the Olympics? Have you ever dreamed that maybe you could or would compete in them? Here is your chance! The Foxboro Senior Center is sponsoring their First Annual Senior Olympics, May 14-18, open to anyone 60+ years old from any town. There will be opening and closing ceremonies, and many events throughout the four days such as various walks, darts, cornhole, basketball, free throw, bowling, and more, and medals will be awarded to the top competitors in each age category. There is a \$5 registration fee per person. Registration deadline is May 14, forms with the schedule of events are available at the Adult Center.

As always, please take the time to look through **THE VIEW**. There are programs and classes for everyone. Follow the theme of Older Americans Month and "connect, create, and contribute" to our activities. I hope to see you at the Adult Center soon.

**PLANNING FOR MEDICARE—COUNTDOWN TO 65**  
Monday, May 28 ~ 6:45 p.m.

This is a great presentation if you are wondering what your insurance options may be when you leave employment or if you are going on or already on Medicare. Sue Plunigan will discuss health insurance outside of employer sponsored coverage such as Medicare, Medicaid and Medicaid Advantage plans, and programs available to early retirees, such as COBRA. Sue is a Senior Plan Consultant who has worked for Blue Cross Blue Shield of Massachusetts for the past 15 years. She has over 20 years experience working in the Health Insurance industry with a focus on Medicare products. This program is FREE, an RSVP for seating is suggested by May 17. Light refreshments will be available.

**PROPERTY TAX WORK OFF PROGRAM**  
FY'20 (July 1, 2019—June 30, 2020)

Applications will be available after May 15 and will be mailed to those currently enrolled in the program. All applicants, whether re-enrolling or new, may apply until June 14. Applications received after June 14 will be considered after July 1 for any pending available openings. There are some changes for FY'20. They are:

- Income of all persons living in the household will be considered towards the income requirement.
- Financial guidelines will be based on total family income.
- If your household income is no more than \$61,916, you will be eligible for a \$1,500 maximum credit. If your household income is no more than \$88,000, you will be eligible for a \$750 maximum credit.

Please contact: Susan Edinger at the Adult Center if you have any questions.

**ADULT CENTER OFFICE HOURS:**  
Monday ~ Wednesday, 9:30 a.m. to 4:30 p.m.; Thursday, 9:30 a.m. to 6:00 p.m.; and Friday, 8:30 a.m. to 12:30 p.m. Voice mail is available 24 hours a day. Please leave a message if no one is available to answer your call—781-784-8000.

# Community Health

## DRAFT Goal

**CH1** Promote environments that foster formal and informal connections among neighbors and peers to enhance social capital and intergenerational ties.

**CH2** Support the mental and emotional wellness of children and youth to reduce the potential for risky behaviors and to increase opportunities among all youth in town.

**CH3** Enhance public health resources to address environmental exposures and respond to threats that could affect the physical health and mental wellbeing of residents.

# Community Health

## DRAFT Goal

**CH4** Continue prioritization of active transportation and traffic safety investments to support daily physical activity and exposure to health-supporting environments.

**CH5** Pursue an age and dementia friendly strategy to increase opportunities for residents to age in community.

**CH6** Consider health impacts of proposed projects and policies by integrating a health and equity lens into local decision-making.

# How to Use the Plan

- Vision to guide planning and implementation for next 10-15 years
- Prioritize actions and recommendations, set funding accordingly
- Measure implementation progress yearly
  - annual report compiled from departments and boards

# How to Use the Plan

- Use plan cross-references to coordinate actions between similar recommendations and by departments, commissions, boards, and possible community partners
- Start-up Sections as models for how to get going...

# Master Plan Start-up Sections

*The Imagine Sharon Master Plan will include Goals and Recommendations with suggested action timeframes and key responsible parties. Recognizing that several recommendations require substantial moves, the consultant team is providing several examples of recommendations broken down by smaller steps to increase achievability.*

- 3. Arts, Culture, Historic Preservation  
Organization**
4. Aging in Community

# Start-up: Arts, Culture & Community

**Goal 4: Support a unified approach to coordinating, funding, and marketing arts, cultural, and historic assets and events in the town.**

**•Recommendation:**

- Create a collaborative, town-wide arts, business, and historic organization to share resources, support mutual interests, and pursue diverse funding to support goals and initiatives.

# Start-up: Arts, Culture & Community

## Next Steps:

- ✓ Identify who will lead the effort:
- ✓ Plan and facilitate a meeting to test idea of forming a nonprofit and to solicit volunteers to help.
- ✓ Prepare materials and conduct outreach to disseminate information and inform the wider public of this effort.

### Cultural Organizations (partial list)

- Sharon Cultural Council
- Police & Fire Museum
- Sharon Public Library
- Creative Arts Association
- Sharon Community Chamber Orchestra
- Sharon MA Concert Artist & Music Teachers Association
- Temple Sinai
- Sustainable Sharon Arts & Culture Committee
- Cultural Arts Committee at Temple Israel
- Sharon Public Schools
- FAME (friends of art and music education)

# Start-up: Arts, Culture & Community

## Next Steps:

- ✓ Convene meeting(s) of arts, cultural, and historic preservation stakeholders to discuss ideas, potential roles and initiatives and programs of an organization, and next steps.
- ✓ Hold periodic meetings (perhaps monthly evening meetings)
- ✓ Initiate discussion to formalize group, its mission and activities

# Mobile Stations - Overview

## HOUSING

The following are draft principles for public comment.

### **H1** Support and encourage mixed-use development in appropriate areas in town, e.g. Post Office Square, Cobbs Corner, Shaw's Plaza, and the Heights Plaza area.

#### Recommendations:

**H1.1** Review zoning in appropriate areas to see if the existing Mixed Use Overlay District regulations that currently apply only to Post Office Square could be applied to other commercial areas.

**H1.2** Consider possible tax incentives that encourage mixed-use development that includes housing at Shaw's Plaza, Sharon Heights Plaza, Post Office Square, and Cobbs Corner.

**H1.3** Consider zoning amendments and wastewater infrastructure to encourage new housing in and near Post Office Square to include a variety of housing types, sizes, price ranges, and rentals and ownership to support the town's socioeconomic diversity and to utilize town center amenities and transit services.

### **H2** Promote and allow housing types for aging in community, especially options that foster community and intergenerational connections in walkable neighborhoods with access to services and shops.

#### Recommendations:

**H2.1** Allow and encourage accessory dwelling units (ADUs) and provide residents with educational "how to" materials for permitting, operation, and maintenance.

**H2.3** Consider zoning amendments that encourage use of Universal Design or "visitability standards" for new housing, particularly near Post Office Square and other commercial areas.

**H2.2** Increase awareness of the existing Property Tax Work Off Abatement Program.

### **H3** Create green and sustainable housing, including mixed-use options and walkable locations in close proximity to shops and services.

#### Recommendations:

**H3.1** Further encourage or incentivize cluster/flexible subdivision design; consider discussions with developers of undeveloped but permitted properties regarding the potential environmental, social, and financial benefits of cluster neighborhood design.

**H3.3** Consider strategies to manage tear down/rebuild of smaller starter homes and/or historic homes in addition to demolition delay for buildings of a certain age, such as creation of a Neighborhood Conservation District, or other zoning regulations that could include energy or infrastructure-related charges based on dimensional limits.

**H3.2** Allow smaller homes and cottage or "pocket neighborhood" developments.

### **H4** Create and preserve affordable units, particularly rental units, to ensure continued socioeconomic diversity and to maintain at least 10% of Sharon's year-round housing stock as affordable per MGL c.40B.

#### Recommendations:

**H4.1** Rejuvenate the Affordable Housing Trust with a fully appointed board and funding to identify alternative policies and projects to maintain Sharon's 10% affordability threshold.

**H4.4** Increase the proportion of Community Preservation Act (CPA) funds allocated for the creation and preservation of affordable housing units.

**H4.2** Consider implementing a broader inclusionary housing policy with higher percentage requirements depending on development type and size.

**H4.5** Consider hiring a full- or part-time town planner or staff person who can coordinate town efforts and initiatives and pursue grants and funds to support housing creation, preservation, and affordability, and other related programs and services.

**H4.3** Apply for public funds, such as MassWorks or MassHousing's Planning for Housing Production Program, to be used to help fund infrastructure construction and maintenance related to affordable housing creation.
