The meeting began at 7:00 PM

Discussion of draft survey format, wording and questions. Price to forward draft to SHS students for comment. Pannone requested survey comments ASAP so link can be added to Back to School handouts.

Signe asked whether another survey would be needed following this one. Kim said only if there is not a great response to this survey or if attendance is light at the October 25th meeting.

Discussion of draft base maps. CivicMoxie is looking for comments and corrections by September 26th. Pat suggested moving the titles of the maps to the top and making them bold.

Discussion of October 25th meeting to be held at 7pm at the Sharon Community Center ballroom. Discussion of draft agenda and stations, and Do It Yourself kits.

Price to ask Karl Seidman to contact Eli Hauser for an interview.

Discussion regarding Back to School Nights and tabling. Price to set up Sign Up Genius for Back to School tabling. The handout should include a link to sign up for email, a link to the survey and a note about the October 25th public meeting.

Signe updated the MPSC about the Public Health Subcommittee meeting and dropbox. They had discussed survey questions and the stakeholders. Price to contact MAPC to see who the contact person is for the grant and to see when the project will start. The Subcommittee will need to work with MAPC to define the scope of the project.

Approval of the last several months of MPSC meeting minutes was unanimous.

Meeting adjourned 8:20pm.
