If you elect to enable your webcam, your image and background may be broadcast with or without sound.

1 - When the meeting is about to start, click this link: { HYPERLINK "https://zoom.us/j/5098114431" } or navigate to { HYPERLINK "https://us04web.zoom.us/" } in your web browser and Join The Meeting using this Meeting ID: 584-648-7446 and password 02067. The first time you use Zoom, a desktop client will be installed. Connect with computer audio to use your computer's microphone and/or speakers. You will need to wait until the Host starts the meeting. Once the meeting starts, use the control in the top right corner to choose Speaker or Gallery view. You might want to pin the host video stream instead of having the video switch between participants as they speak while in Speaker mode.

2 - If you don't have a microphone and anticipate that you may want to speak, you can dial in using any one of these phone numbers and supply the Meeting ID: 584-648-7446.
