

Sharon Public Library Update

October 27, 2023

Sharon Public Library

1 School Street

Sharon, Ma 02067

Dear Abutters of the New Sharon Public Library,

We would like to share with you the following:

Site work and excavation for the building's foundations is ongoing. The loading and trucking of excavated materials (soils and rocks) is also ongoing.

All construction-related vehicles and deliveries are being directed to enter and exit the job site through the North Main St. gate entrances. More signage has been installed at Depot and Pleasant streets, in an effort to direct vehicles away from School Street. We want to reinforce the importance of keeping non-residential vehicles away from School Street specifically, and the neighborhood in general.

A formwork team is starting mobilization for purposes of concrete footings. In response to neighborhood concerns, the Town is securing a testing agency for vibratory monitoring at the job site.
