PLACARD REQUIREMENT*****

Please find enclosed the requested permit for your Sharon Railroad permit. All approved residents **MUST** hang the placard in the rearview mirror while at train station. If the permit is not visible it will be a violation of the parking regulations, repeat instances of this violation will result in a loss of your parking privileges for future quarters.

If you have any questions, please feel free to give us a call at (508) 381-5456.

Thank you
